

2020 **VIRTUAL** GLOBAL HEALTHCARE CONFERENCE

Resilience: Growing Through Adversity

NOV. 2 - 5, 2020

For leaders and professionals representing Seventh-day Adventist academic, healthcare and church institutions around the world. This year's conference will be hosted online, with a combination of live sessions and on-demand content that can be downloaded at any time in four languages: English, Español, Français, Russian.

A daily plenary session will be followed by a wide variety of breakout sessions covering the following topics:

- Clinical laboratory
- Consortium of Adventist Medical Education Leaders (CAMEL)
- Finance
- Human Resources
- Medicine
- Nursing
- Pharmacy
- Quality Improvement
- and More!
