## the Loma Linda University Health Beeve Eye Fund

In Fiji, the sun's constant glare combined with lack of eye protection and inaccessibility to healthcare has subjected its population to poor vision. Our team visits once a year to provide free advanced eye care services to those in need.

### Our Yearly Impact:

- 276 Screenings.
- 137 Surgery cases.
- Over 200 distributed glasses.
- Hands on training to local providers.

### Your Contribution Helps Provide:

- Eye exams.
- Glasses.
- Cataract surgeries.
- The gift of sight.
- An improved quality of life.
